## **HIWIN USA Breaks Ground on New Location**

### **Huntley, IL**

HIWIN Corporation's North American headquarters, currently located in Elgin, Illinois will be relocating to a new, larger location in Huntley, Illinois.

Scheduled to open in 2017, the new facility will house a large machining facility, labs for Quality, Engineering /R&D and Training, and a high-efficiency warehousing system. The new HQ will

ensure best-in-class manufacturing, delivery and service to HIWIN's North American customers.

Established in 1992, HIWIN North America is a leading provider of linear motion components, solutions and engineering services in the US, Canada and Mexico. With 80 employees, and a growing network of distributors and integrators, the company serves many major corporations in the region in a variety of industries including Machine Tools, Packaging, Aerospace, Energy and Medical and Biological Science and Semiconductor.
